

Arkansas State University DHS STEM Designated Degree Programs

Bachelor of Arts

- Computer Science
- Chemistry

Bachelor of Science

- Environmental Science
- Wildlife, Fisheries, and Conservation
- Computer Science
- Information Systems and Audit Control
- Computer Systems Engineering
- Electrical Systems Engineering
- Mechanical Systems Engineering
- Industrial Systems Engineering
- Construction Management
- Engineering Management Systems
- Engineering Technology
- Biological Sciences
- Biotechnology
- Biochemistry
- Mathematics
- Data Science and Data Analytics
- Chemistry
- Physics
- Clinical Laboratory Science
- Information Systems and Business Analytics
- Actuarial Science

Bachelor of Science in Agriculture

- GIS and Precision Agriculture
- Animal Science
- Plant & Soil Science

Bachelor of Science in Civil Engineering

- Civil Engineering

Bachelor of Science in Electrical Engineering

- Electrical Engineering

Bachelor of Science in Mechanical Engineering

- Mechanical Engineering

Master of Arts

- Biological Sciences

Master of Accountancy

- Accounting with Data Analytics

Master of Business Administration

- Business Administration

Master of Science

- Environmental Sciences
- Media Management
- Computer Science
- Civil Engineering
- Electrical Engineering
- Mechanical Engineering
- Engineering Management
- Biology
- Molecular Biosciences
- Mathematics
- Statistics
- Chemistry
- Applied Digital Technology

Master of Science in Agriculture

- Agriculture

Doctor of Philosophy

- Environmental Sciences
- Molecular Sciences
