Re: Shared Governance Proposal – 15 FA 03 – ASU Non-Discrimination Policy

---

On Thursday, October 1, 2015, I received Shared Governance Proposal 15 FA 03, proposing changes in the non-discrimination statement for Arkansas State University. After considering constituent input on the proposal, I have approved the following statement for Proposal 15 FA 03:

Arkansas State University does not discriminate on the basis of color, sex, sexual orientation, gender identity, race, age, national origin, religion, marital status, veteran status, genetic information or disability in any of its practices, policies or procedures. This includes, but is not limited to, employment, admissions, educational services, programs or activities which it operates or financial aid.

Pursuant to the shared governance proposal review process, the campus community will be informed of my decision, which will be done through the ASU Digest.

Thank you for your leadership. Please extend my appreciation to the Shared Governance Oversight Committee for their participation in this process.
