

COLLEGE OF EDUCATION & BEHAVIORAL SCIENCE

Department of Health, Physical Education and Sport Sciences | P.O. Box 240, State University, AR 72467 | o: 870-972-3066 | f: 870-972-3096

Master of Science Degree in Exercise Science

One and one half year completion

Fall

ESPE 6673 – Research Design
ESPE 6653 – Neuromuscular Physiology
ESPE 6693 – Motor Learning (even years) or
ESPE 6663 – Advanced Strength
Training and Conditioning (odd years)

Spring

ESPE 6623 – Measurement and Statistics
ESPE 6513 – Cardiorespiratory Physiology

Summer 1

ESPE 6683 – Biomechanical Analysis of Sport Skills
ESPE 6543 – Cellular Physiology in Exercise

Summer 2

ESPE 6523 – Physical Activity for Special Populations
ESPE 6533 – Laboratory Techniques in
Exercise Physiology

Fall

ESPE 678V – Thesis or
ESPE 681V – Internship

Two year completion

Fall

ESPE 6673 – Research Design
ESPE 6653 – Neuromuscular Physiology

Spring

ESPE 6623 – Measurement and Statistics
ESPE 6513 – Cardiorespiratory Physiology

Summer1

ESPE 6683 – Biomechanical Analysis of Sport Skills
ESPE 6543 – Cellular Physiology in Exercise

Summer 2

ESPE 6523 – Physical Activity for Special Populations
ESPE 6533 – Laboratory Techniques in
Exercise Physiology

Fall

ESPE 6693 – Motor Learning (even years) or
ESPE 6663 – Advanced Strength
Training and Conditioning (odd years)
ESPE 678V – Thesis (3 hours) or
ESPE 681V – Internship (3 hours)

Spring

ESPE 678V – Thesis (3 hours) or
ESPE 681V – Internship (3 hours)
