Justification

Modification Justification (Course Modifications Only)

16. Justification for Modification(s)

This course modification request includes the need to drop the words “full-time” from the title of this course and in the description as it is no longer specified as a full-time course. Part-time and full-time students take the same course with their degree plans reflecting part-time or full-time hours depending on how many other courses they are enrolled in while taking this course.

This course modification request includes a change in credit hours from 3 to 2. In the traditional face to face MSW program, students completed Foundation Field I and Foundation Field II, both at 3 credit hours each to total of 6 credit hours for the foundation field sequence. In order to adjust to the 7-week semester of the online program and allow students with ample time to complete required internship hours, a third course will be added to the foundation field sequence. Students will complete their foundation field internship hours over three courses at 2 credits each. (Foundation Field I, Foundation Field II and Foundation Field III) This modification will still provide the students with a total of 6 credit hours for the foundation field sequence and meet the requirements of our accreditation body. The course number for this has changed to reflect the 2 credit course.

This course modification request includes a modification in the description of the actual course to reduce the word count to 40 or below as requested along with the deletion of the “full-time” language.

New Course Justification (New Courses Only) N/A

17. Justification for course. Must include:

- a. Academic rationale and goals for the course (skills or level of knowledge students can be expected to attain)

Enter text...

- b. How does the course fit with the mission of the department? If course is mandated by an accrediting or certifying agency, include the directive.

Enter text...

- c. Student population served.

Enter text...

- d. Rationale for the level of the course (lower, upper, or graduate).

Enter text...

Assessment

Assessment Plan Modifications (**Course Modifications Only**) No

18. Yes / No Do the proposed modifications result in a change to the assessment plan?

If yes, please complete the Assessment section of the proposal

Relationship with Current Program-Level Assessment Process (Course modifications skip this section unless the answer to #18 is "Yes")

19. What is/are the intended program-level learning outcome/s for students enrolled in this course? Where will this course fit into an already existing program assessment process?

Enter text...

20. Considering the indicated program-level learning outcome/s (from question #19), please fill out the following table to show how and where this course fits into the program's continuous improvement assessment process.

For further assistance, please see the 'Expanded Instructions' document available on the UCC - Forms website for guidance, or contact the Office of Assessment at 870-972-2989.

Program-Level Outcome 1 (from question #19)	Type outcome here. What do you want students to think, know, or do when they have completed the course?
Assessment Measure	Please include direct and indirect assessment measure for outcome.
Assessment Timetable	What semesters, and how often, is the outcome assessed?
Who is responsible for assessing and reporting on the results?	Who (person, position title, or internal committee) is responsible for assessing, evaluating, and analyzing results, and developing action plans?

(Repeat if this new course will support additional program-level outcomes)

Course-Level Outcomes

21. What are the course-level outcomes for students enrolled in this course and the associated assessment measures?

Outcome 1	Type outcome here. What do you want students to think, know, or do when they have completed the course?
