LEADERSHIP EXPERIENCE

Unit Charge Nurse

- Managed aspects of clinical oversight for a 42-bed inpatient unit. Planned for and provided nursing care to Telemetry/Orthopedic/Medical-Surgical patients. Assisted in directing personnel to meet goals and objectives of the department and institute. Maintained staff scheduling.

Nurse Preceptor and Mentor

- Observe new clinicians' clinical skills and patient interaction and provide feedback to the clinician. Works with clinicians to review the application of clinical documentation and forms. Reviews content with new clinicians to determine the clinicians' level of understanding and re-educate, as necessary. Reviews patient care processes with clinicians and assesses clinicians' level of understanding.

Student Nurse Leader

- Utilize concepts from leadership, management theories, and the nursing process in the supervisor of nursing students. As well as demonstrating increased awareness of communication and leadership skills.

VOLUNTEER EXPERIENCE

GIRLS SCOUTS OF THE UNITED STATES OF AMERICA

Troop Number 13673, Memphis, TN / 2015 - 2018

- Primarily worked with girls ages 4-15 years of age. Assisted in

building girls of courage, confidence, and character.

FIRST CONGREGATIONAL CHURCH

1000 Cooper St, Memphis, TN / 2015 - 2021

- Cafe Congo is a weekday lunch program that serves about 600 people each week. As a volunteer, I help prepare and serve food from the Midsouth Food Bank, Trader Joe's, and the church's additional groceries.
- Assist with sorting out donated items such as canned foods, clothing, and hygiene products.
