Dear President Wyatt:

The Commission on Accreditation of Allied Health Education Programs (CAAHEP) is pleased to inform you of its vote on September 16, 2005 to award **continuing accreditation** to the athletic training education program at Arkansas State University, State University, Arkansas.

The recent peer review conducted by the Joint Review Committee on Educational Programs in Athletic Training (JRC-AT) and the commission's Board of Directors recognizes the program's substantial compliance with the nationally established accreditation standards. The next comprehensive evaluation of the program, including an on-site review is scheduled to occur in 2011 - 2012.

The accreditation standards are established by CAAHEP and The American Academy of Family Physicians, The American Academy of Pediatrics, The American Orthopaedic Society for Sports Medicine, and The National Athletic Trainers' Association, Inc.

The commission commends you and your colleagues for your commitment to continuous quality improvement in education, as demonstrated by your participation in program accreditation.

Sincerely,
